Surprise, AZ (PRWEB) December 12, 2011

Illustrious [home security systems](#) provider Your Alarm Now has just released another top class residential security package in the market. The new plan is known as the premium package, and uses the latest two way vice technology. This is one of the most advanced technologies in the home security industry. The home owners in America and Canada can avail this package by spending only \$40.99 every month. The official launch of the product was announced by the owner of the company Mr. Paul Shakuri. He is an expert in this field with nearly a decade of experience in the field of home security. Your Alarm Now is one of the fastest growing security service companies in the nation right now.

The [home security systems](#) provided by Your Alarm Now are packed with exciting features that make life easy for the house owners. The new package from the company will enable the house owners to connect directly to the ADT monitoring agents within a moment from anywhere inside their home. The system reduces the response time during an emergency by verification of the emergency situation. During the launch of the package, Mr. Shakuri said, "This package is the result of the hard work of our technical team. They have worked day and night for months to provide this latest technology to all of you. I take this opportunity that all of them". He also added that the package offers a special type of control panel with intercom facility. The two way voice is one of the latest innovations in home security industry. This technology provides the benefit of hands free access to the respective monitoring station in no time whatsoever.

Your Alarm Now has two more highly applauded packages named the basic and elite packages. The major factor behind the amazing popularity of all their [home security systems](#) is their high standard of service. Their packages include some of the most talked about devices in the market. Most of the customers feel that the cost of these packages is nothing compared to what they offer. The company also provides different types free benefits and discounts to the customers on a regular basis.

About the Company: Your Alarm Now is security Service Company for the residences. The Arizona based company offers service in all parts of Canada and America. The company has just launched their premium package.
