*"Great-room" concept revitalizes lobby at Old Town Scottsdale hotel; restaurant and fitness center upgraded*

Scottsdale, AZ – The heart of historic Old Town Scottsdale is beating stronger than ever with a re-energizing of the [Scottsdale Marriott Suites Old Town](#).

\$2.6 million has been pumped into the all-suite Scottsdale hotel to introduce its "great-room" concept to the Arizona market. The design has transformed the lobby into a vibrant multi-purpose gathering area for eating, drinking, working and socializing as day transforms into night.

The vibrant energy of Old Town Scottsdale pumps into the hotel's lounge, where a new glass-wall system opens into a casual, extended patio with fire pits and plenty of comfortable seating. The 3<sup>rd</sup> Avenue Grill, serving American-style cuisine with a southwestern flair, is open for

breakfast, lunch or late-night dining and drinking.

Guests can re-energize and work on their health at the hotel's expanded and remodeled fitness center which features state-of-the-art Life Fitness cardio equipment and free weights as well as a heated outdoor pool and whirlpool.
