

2012 SUNSEEKER PORTOFINO 48

"With a base cost per cruise of just \$892 dollars, this is the most intelligent form of yacht ownership."

VANTAGE YACHT SHARES

The Yacht Shares program grants Members all of the joy, gratification and advantages of owning a whole yacht, only at a fraction of the cost and free from every concern. Vantage cares for you and your yacht while managing all of the details and logistics.

ACQUISITION & TITLE

There is a one-time acquisition cost, based on the interest size desired, as a fraction of the total value of the yacht. This interest determines your membership level in a sole purpose LLC that holds title to the asset. Your capital and outside assets are secure.

MANAGEMENT AGREEMENT

Vantage will manage your yacht for an initial three year term. At the end of the term you will recover the initial acquisition cost minus depreciation and less a 10% resale fee. Vantage provides guaranteed liquidity and repurchase of your asset.

MANAGEMENT FEE

This fee encompasses all Ownership Expenses; homeport mooring, maintenance, insurance, cleaning, supplies and storage. The fee also covers Operating Costs including Vantage Owner Support, owner and crew training, scheduling and concierge services. Vantage guarantees these expenses and costs for three years.

CONSUMABLE EXPENSES

Vantage Members are responsible for the Consumable Expenses they incur. These expenses include fuel, crew services, gratuities, catering, transient mooring, and taxes. Consumable Expenses are invoiced on a monthly basis.

YACHT ACCESS

You are guaranteed to have access to your yacht for the number of days that your interest provides. A Quarter Share interest in the Great Lakes Region allocates one of the following or an equivalent combination each yachting season:

- 35 twenty-four hour time slots
- 70 eight or fourteen hour time slots (9am to 5pm or 6pm to 8am)
- One full week each month
