

6Hours Face Lift

Visibly lifts and tightens as it smoothes creases and wrinkles

PRODUCT DESCRIPTION

The 6H Face Lift “Plastic Surgery in a Bottle” is an extraordinary skin solution that tightens sagging skin to visibly lift as it smoothes creases and wrinkles. 6H Face Lift lifts, tightens and rehydrates skin in just a few minutes, thus making it a natural alternative to cosmetic surgery. The combination of carefully chosen ingredients when applied daily will help the skin regain a radiant and younger appearance.

KEY BENEFITS

- Reduces the depth of wrinkles around the eyes
- Instantly tightens and lifts the skin
- Make the skin appear smoother and more uniform
