

America's leading Manufacturer of [Home Security Systems](#) Introduce their YouTube Channel.

Nation's one of the most rapidly expanding [home security systems](#) manufacturer Elite Security Services has just come up with their new YouTube video channel. The company provides affordable domestic security packages in Canada and the United States. They have made significant inroads in the industry within a very short period of time.

ADT authorized dealer of [home security systems](#) Elite Security Services has recently released its new YouTube video channel. It may be recalled that the company provides its security packages all across Canada and the United States. Within a very short time since its inception, the company has become a trusted security service provider. The YouTube channel of the company was inaugurated by the owner of the company Mr. Paul Shakuri. He is a noted expert in this field with years of experience in the home security industry. The channel comprises of a series of short and useful videos covering different aspects of home security.

The [home security systems](#) from Elite Security Services are available in three packages, all equipped with the latest features. A number of videos in the recently launched video channel are dedicated to the different components of their systems. In these videos, Mr. Shakuri has himself spoken about the different devices of their packages. In some other videos, the customers have spoken about their experience with the security systems from Elite Security Services. Talking about the new YouTube channel, Mr. Shakuri said, "These videos will help you understand the systems so that you can make an informed decision while opting for a package for your home". He has also mentioned that the company plans to add a wide range of videos in the coming days to this channel.

Elite Security Services has so far been remarkably successful in the American and Canadian market. The [home security systems](#) experts have mentioned that they are one of the fastest growing organizations in this sector at present. Apart from the latest technology, the company also offers the latest in terms of installation of their systems. The packages from Elite Security Services are available all over the United States and Canada for only \$35.99 per month.

About the Company: Elite Security Services is an American home security company that also provides its service in Canada As an affiliate of Protect Your Home ADT authorized dealer. They have recently launched a YouTube video channel of the company.
