Ultra-Mobile, Ruggedized, Powerful...
Another innovative product from 2go™PC that's ready 2go wherever life takes you !

Windows 7

intel Atom inside™

2goPC's Newest Convertible Tablet PC
The 10" 2go® Convertible Classmate PC NL3 is the newest tablet from CTL and it's leaner, faster and stronger than ever before. It features a ruggedized design , rotating swivel touch screen display and pen-shaped stylus to always keep you moving. The ultra mobile 2go® NL3 is ideal for education, mobile workers, and people on the go.

Best of Class features
Intel's new Cedartrail platform features the Atom™ Dual Core N2600 processor which improves efficiency and offers up to 10 hours of battery life. Featuring a swiveling, 4-wire resistive touch screen, DDR3 memory, Bluetooth, and a high resolution 1366x768 screen, the 2go® NL3 is ahead of its time.

Design Born From Years of Research
2goPC has worked with ethnographic researchers who have carefully examined every aspect of the design. The new 2go® NL3 is lighter and offers a thinner design than its predecessors. With features like a carrying handle, easy to hold texturized surface, and reinforced corners for added protection, every aspect of the new 2go® NL3 has been carefully designed to maximize your investment.

Peace of Mind
Fully configured, 2go® NL3 includes a full 1 year parts and labor warranty, further lowering total cost of ownership. Also, your configuration can include custom imaging, extended warranty options, asset tagging and end of life management.

Ruggedization

The 2go® NL3 was built to be used. Features like a scratch and water resistant LCD Screen, spill resistant keyboard and touchpad, reinforced corners, shock mounted LCD screen, and an easy to hold protective texturized surface safeguard your investment.

Built In eReader

Easy-to-control page up/down scroll wheel with optimized eReader software, combined with a high resolution display offers a great reading experience.

Antimicrobial Protection

Keyboards tend to get dirty. The 2go® NL3 keyboard can be wiped down to remove germs & contamination. For added protection, it's treated with an antimicrobial protective coating to protect from germs.

Educational Software

When used in an education environment, the 2go® NL3 is available with a whole host of powerful education computing software for use in the classroom. Titles like Mythware offer classroom management, assessment and teaching capability. Also available are Theft Deterrent and Parental Control software from Intel®.

Webcam Increases Communication Ability

Just because you're far apart doesn't mean you can't be in the same room. Enter the world of online communication and take advantage of the built-in high resolution 2.0 megapixel video camera to participate in a video conference, or simply chat with your friends face-to-face. The webcam also swivels independent of the screen, so if you are in front of the computer or across the room, you are ready to communicate.

CPU & Platform

• Intel® Atom™ Dual Core N2600 1.66 GHz Processor

Expansion Ports
