

Xpress Connect At a Glance

Are You Ready?

Real estate online and in real time.

Xpress Connect

Xpress Connect delivers a complete online program utilizing the best of social media, search sites, e-mail, and online advertising.

Web Site: your property Web site will include full property details, photos, video, interactive map, community facts and helpful links.

You Tube: video of your property will be featured on Xpress Realty's YouTube channel.

Online Advertising: ads will be posted to popular sites like Craig's List and Super Shopper with share features for hundreds of online destinations.

Social Media: your property will be posted on our Facebook business page and featured on our Blog.

Real Estate Search Sites: your property will advertised on MSN, AOL, MLS, WI Homes, Trulia, Front Door, Zillow and many other high traffic sites.

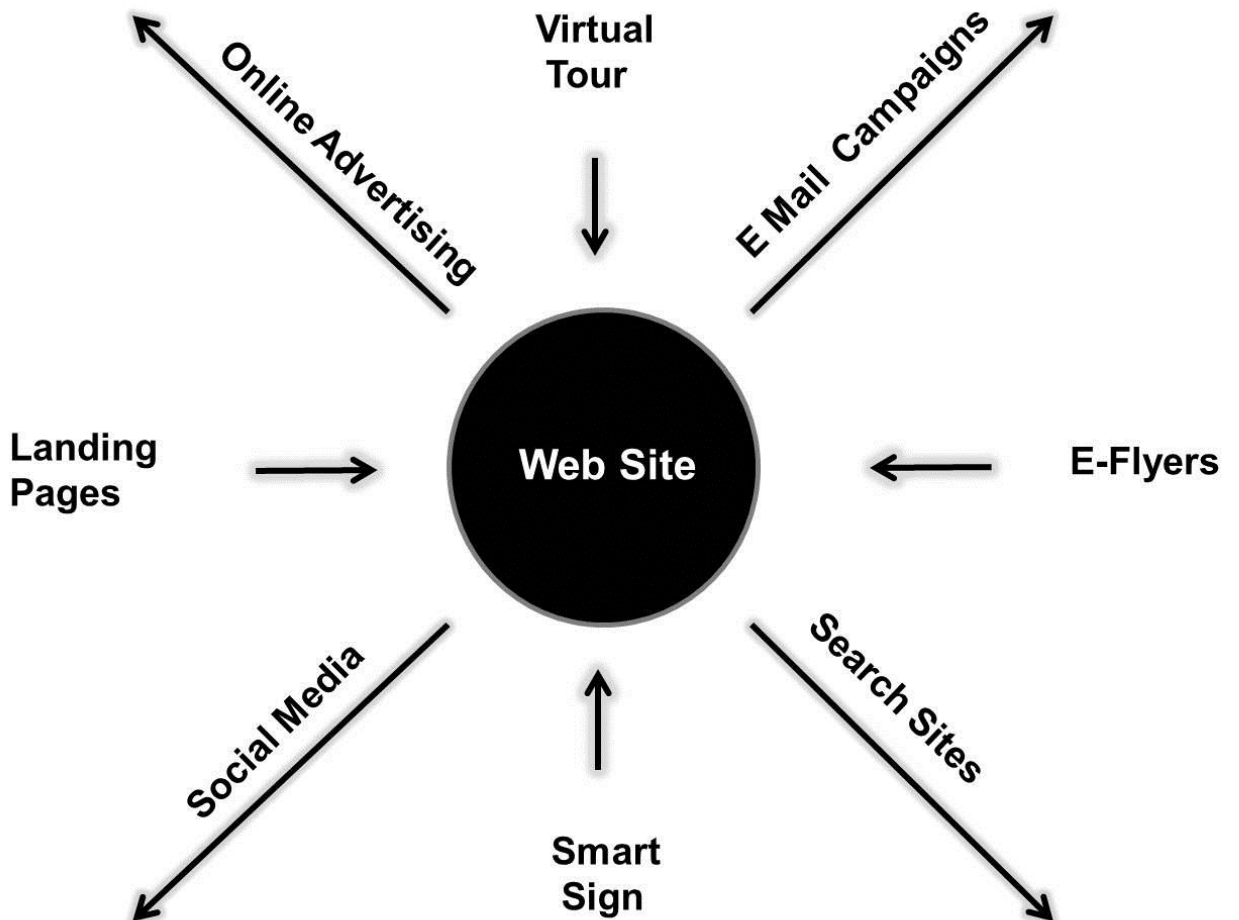

E-Mail: just listed e-post cards and e-flyers will be sent for your property.

Smart Sign: unique Microsoft Tag and web address will send buyers to your property Web site.
