

**Mindcrest wins India Business Law Journal LPO awards in 3 categories – Best overall LPOs, Legal Support and Corporate Services.**

Jan 2012 – **Chicago** –Mindcrest, a pioneer and leader in legal services outsourcing, announced today that it has received India Business Law Journal's LPO awards in three categories – Best overall LPOs, Legal Support and Corporate Services. This award is in recognition of Mindcrest's accomplishments in providing innovative products and services, increased value to customers, operational excellence and growth.

"Mindcrest has consistently received praise from its clients and industry peers during the three years that India Business Law Journal has presented its annual LPO awards. It gives us great pleasure to recognize this outstanding achievement by awarding Mindcrest with a Best Overall LPO award and awards for Corporate Services and Legal Support", said James Burden, Publisher of India Business Law Journal.

"We have a reputation for providing highest quality work and exceptional client service and are known for our commitment to excellence and for our ability to find innovative solutions. We are pleased that India Business Law Journal has recognized us as the Best Overall LPO for the third successive year," said Ganesh Natarajan, Mindcrest's President and CEO.

India Business Law Journal's annual LPO Awards are based on an extensive survey of in-house counsel at major international corporations and partners at regional and international law firms. In determining the winners for each category, the survey results were considered carefully by India Business Law Journal's editorial team in along with other factors such as client references and notable achievements for each LPO over the past year.

"Mindcrest brings specific strengths and abilities that set it apart from other LPO service providers. We have an experienced team and strong operational processes to ensure that the work will be performed consistently and will be of the highest quality resulting in trusted long term relationships with our clients. In 2011, we have entered new industry segments as well as expanded our core service offerings. The projects that we handle for our clients are more complex and complicated than those of our competitors, and we have continued to grow and evolve faster than any other player in this industry space" Ganesh Natarajan added.
