MORRISON UNIVERSITY HOSTING OPEN HOUSE JANUARY 18

Reno, Nev., January 9, 2012—Morrison University will host an Open House next Wednesday, January 18, from 10 am to 7 pm. The College is located at 10315 Professional Circle, Suite 201, just south of Renown South Meadows Medical Center on Double R Boulevard.

“We want to begin 2012 with a strong, positive message about the value of education,” says Campus President, David Heckeler. As part of this campaign, Morrison is waiving the application fee for new students through January 30.

Morrison University has specialized in offering quality, business-related education and training since 1902. Most Morrison University instructors are professionals working in their field who bring valuable, real-world knowledge and experiences to the classroom.

“Morrison *is* different,” Heckler says. “Our class schedules work with students, not against them. Our programs are offered days and evenings to give students the flexibility to balance their personal and academic responsibilities.”

Morrison University offers the following degree programs:

- **Accounting** (Associate of Science & Bachelor of Science)
- **Computer Science** (Associate of Science)
- **Information Systems** (Bachelor of Science)
- **Management** (Associate of Science & Bachelor of Science)
- **Master of Business Administration**

Morrison University is accredited by the Accrediting Council for Independent Colleges and Schools.
