## **ANTHEM EDUCATION CAMPUSES WILL HOST NATIONWIDE OPEN HOUSES JAN. 18**

**Phoenix, Ariz., January 12, 2012**—Each of the 23 Anthem Education campuses around the United States will host Open Houses next Wednesday, January 18.

“We are using this coordinated nationwide effort to send a positive message about the value of education,” says Dr. Jim Hutton, Chancellor of Anthem Education. “17,800 students graduated from an Anthem Education school or college last year. The teaching format we use for most of our programs lets students take one class at a time, so they really focus on learning the material they need to know in the workplace.”

Anthem Education’s ground campuses offer programs in **healthcare, technology, business, paralegal, and veterinary technology**. A full list of programs is available on the Anthem Education website at <http://anthem.edu/programs>. Not all programs are offered at all locations. Anthem College Online, a division of Anthem College- Phoenix, offers a slightly different menu of program choices. It accepts students from all states except Arkansas and Massachusetts. Not all programs are offered in all states. More information is at <http://anthemcollege.edu>.
