

## **Elite Security Services Introduces Their New & Improved Motion Detection Device for the Pet Lovers**

The [home security systems](#) from Elite Security Services will now have pet friendly motion detection equipment for the animal lovers. The recently launched component of the security packages of the company will restrict the system from sounding false alarms every time the pets move around the sensors.

Elite Security Services has just a made a significant enhancement to their impressive range of [home security systems](#) available in Canada and the United States. A highly advanced motion detector device will now be a part of all the security packages provided by them. Pets have always been a problem for the optimum functioning of a traditional motion detection system because of repeated false alarms triggered by the pets present in the households. Pet immune motion detectors are one of the latest inventions in the home security industry, and it can distinguish between human movements and that of the pets.

Most of the modern [home security systems](#) offer these advanced gadgets with their packages now. These devices use the latest dual lens technology, and can work efficiently for pets within a certain weight limit. Announcing the launch of this excellent addition, the owner of Elite Security Services Mr. Paul Shakuri said, “This device is specifically designed for the households which have pets. It is designed to work perfectly for pets weighing less than 80 pounds”. Most of the households in the United States and Canada have pets these days. The addition of this new equipment will certainly help Elite Security Services to emerge as a stronger force in the industry. The systems from the company already consist of the latest security devices like digital keypad, loud alarm siren, sensors, keychain control tool, etc.

Elite Security Services has continuously made enhancements to their [home security systems](#) since they started offering their low cost domestic security service. The requirement of a proper domestic security system has increased dramatically over the years. Elite Security Services is committed to provide uninterrupted protection to the life and property of the homeowners throughout the United States and Canada. The company sources have disclosed that they have aggressive expansion plans for the year 2012.

About the Company: Elite Security Services is a rapidly expanding home security company operating in every part of Canada and America. They are also an active affiliate of Protect Your Home.
