- ⊗ ⚡ That's no way for a grandpa to act.... Plus I possibly could have thrown my back out. All the same I was way out of line judging Bill. He has turned out to be a great man, I mean father. love daddy September 13, 2011 10:30 PM

 - ⊗ ⚡ It seems just like yesterday you were getting on the bus for the first time and now your graduating. Your hugs still melt my heart as I sat and watched you walk across that stage tears fell down my face... I didn't want you to see them because it's your day. I know you will truly do great things....  - ⊗ ⚡ I was really nervous when you got on the buss today. You looked so cute packing your little lunch box. The hug I gave you right before you got on the bus melted my heart. I am really so proud that you are my daughter. I can't wait to see the young lady you grow up to be. Love daddy August 22, 1990 10:15 AM
