Robert Ho Joins Carson Dunlop as Vice President of Education

New Executive to assist with Expanding Home Inspection Training Business

Toronto (January 18, 2011) Carson Dunlop is pleased to announce the addition of Robert Ho to their team in the position of Vice President of Education. This new position creates an opportunity for Carson Dunlop to build their North American Home Inspection training business under Robert's guidance and leadership. Carson Dunlop's home inspection training is currently offered by over 30 colleges and universities in Canada and they recently announced a training partnership with the American Society of Home Inspectors (ASHI).

"I am very pleased to be adding this new position and Robert to our organization," commented Alan Carson, President of Carson Dunlop, "The addition of Robert to our team will help us to expand our U.S. Home Inspection training business and reinforce our partnership with the American Society of Home Inspectors," added Mr. Carson.

Robert joins Carson Dunlop with over 20 years experience in sales and marketing roles in the financial services industry. Robert has previously held senior positions with Scotia Bank, Dundee Bank, Citizens Bank of Canada, Travelex Global Payments and Custom House Currency Exchange.

"This is a tremendous opportunity for me to work with an organization that not only wrote the book on Home Inspection, but has set the standard on so many fronts," commented Robert Ho. "I am looking forward to working with the team to help build our home inspection training program in both Canada and the United States," added Mr. Ho.

About Carson Dunlop

Carson, Dunlop & Associates Ltd. has been a leading Consulting Engineering Firm devoted to building inspection since 1978. They are one of the largest independent home inspection companies in North America that leverages their extensive technical knowledge across six integrated business lines - Home Inspection, Commercial Inspection, Report Writing, Energy Audits, Home Inspector Training and Continuing Education.

About Carson Dunlop Home Inspection Training

Carson Dunlop launched the Home Inspection Training division in 1990 to provide high quality education to new professionals entering the home inspection industry. The Home Inspection program was developed with education design consultants, and distance education specialists from Memorial University to create a uniquely comprehensive home inspection program. The courses can be taken in a self-study format from Carson Dunlop and are also offered in classroom and distance education formats by more than 30 colleges and universities.
