SIDE A of this mixtape includes a song from all the albums previously or currently promoted through FrostWire, which all together have brought in more than **2.38 million downloads** this year only. To find out more about the promotions and how they work please visit www.frostclick.com/promote.

SIDE B contains a selection of artists reviewed on FrostClick. We write about one free album every day and although we could only include the best of the CC Licensed tracks on this mixtape, imagine the wealth of quality music remaining to be discovered by you on FrostClick.com. Dig in!

To all of the artists who decided to share their work for free under the Creative Commons license and to all of you who shared - thank you for walking the path towards the future of the music industry.

THANKS!
