

Your Very Own Tiggzi Mobile App:
Easy, Extensible, Pocket-friendly

Tiggzi for Musicians

Make & Share Your Band's App for Phones, Tablets, and the Mobile Web

The slickest way to share your band with fans? Tiggzi. Pocket-friendly. Tiggzi for Musicians makes apps easy for musicians and bands. Build, test, and publish — no experience necessary.

Tiggzi for Musicians customizes the cloud-based Tiggzi mobile app development tool, giving you just the things you need to reach your fans on their phones and tablets.

■ Connect with Your Fans

- *Play Music*: Stream your songs on fans' phones
- *Show & Tell*: Share YouTube videos, Twitter, Facebook, RSS feeds, and photos
- *Fan Power*: Build buzz with fan chat, and incentivize your fans to engage
- *Offer Stuff*: Sell your songs, albums, tickets, and merch
- *Publish*: We'll publish your app for you to the iTunes App Store, Android Market, or our host Web site. Or, take the project code, and publish it yourself

■ Extend Tiggzi

- Let out your inner geek: Access the powerful Tiggzi editor to customize pages, create original visual themes, add any "RESTful" cloud services, and use device-specific services. Go wild with HTML5
- Share your app in the Tiggzi Showcase and grow your fan base
- Share your custom projects, pages, and themes to help grow Tiggzi resources for the musician community

■ Pocket-Friendly

- Build your app in less than 15 minutes, free!
- No expensive development fees
- Low monthly subscription rates for advanced features
- Your app belongs to you — full access to the HTML5 code

Mobile app strategy solved!

With Tiggzi, You're in the Pocket

You're a creative musician. You know your way around an amp, an angry booker, and a flat tire. You've had a web presence on Facebook forever. Now, add apps to the list!

Build the fun connected app you've wanted for your fans, at a fraction of the cost of hiring a commercial app developer. When you're done, we can publish the app for you.

Join Tiggzi, where we power the world's first community of musician app designers for great ideas that could make you rich and famous - or just streamline your promotion efforts.
