Nationwide Commercial Mortgage Lender & Apartment Lender

Commercial Loan Direct ('CLD') a division of **CLD Capital** is a wholesale commercial mortgage lender and apartment mortgage banker originating for its own portfolio. In addition to offering its own financial programs, Commercial Loan Direct has partnered with institutional investors, Fannie Mae, Freddie Mac, FHA, SBA, USDA, life insurance companies, banks and real estate investment trusts to bring you a wide selection of additional financing vehicles.

With a focus on loans over \$1 million, a diversified mix of financing products, a state of the art online commercial lending platform, and a staff of experienced professionals, Commercial Loan Direct provides a cost-efficient solution for apartment and commercial property financing.

Commercial Loans

CLD provides commercial financing solutions for both owner occupied and investor properties. Our company offers three lending options depending on your loan amount: Small balance (\$1-\$5 Million), mid-balance (\$5-\$20 Million) and large balance for transactions over \$20 Million. CLD's government agency sponsored commercial programs include; SBA-504, SBA 7a, and USDA B&I. CLD's preferred real estate properties include; office, retail, industrial, hospital & healthcare, self storage, church, hotel and mixed use. We also offer bridge or interim financing to stabilize commercial real estate properties.

Commercial Loan Direct's Approach

Commercial Loan Direct's unique approach to real estate lending - unlike other mortgage banks and lenders CLD does not service its originations. This allows us to focus on new commercial mortgage originations, quality customer service, and product development. Our business model maintaining a low cost structure, passing on the savings to our borrowers in the form of lower fees and industry low rate commercial real estate financing.

CLD Originates Commercial Real Estate Loans Nationwide

Our primary concentration is on commercial real estate transactions over \$1 Million. By focusing our departments on small, mid, and large balance commercial real estate mortgages, our firm provides some the most comprehensive financing solutions for apartment loans, conduit financing, and commercial lending in the market-place.
