

Tutor Pace, Inc. is a renowned Texas based online tutoring service provider. Accredited by the Texas state Law, we offer the best solutions in online tutoring to students across the globe. Our aim is to offer outstanding guidance to our students round the clock through our sophisticated online tutoring system. We have designed highly specialized courses that are easy to grasp and fun to read. Having invested years in finding innovative study programs that are creative, we help students to learn in a systematic and effective manner so that they can master their subject. We enroll students from elementary grade to college level, studying in different institutions located around the world. Capitalizing on our team of professional tutors who hold years of experience in teaching their respective subjects, we bring forth a coaching system that is easy to access anywhere and anytime. We use advanced software aided with white board, audio and video facilities, which makes online tutoring more interactive and convenient for both students as well as teachers.

What We Do

The mission of Tutor Pace, Inc. is to offer affordable education through internet to students worldwide and helping them to achieve their goals. We have created a platform for students where they can come and resolve their queries online. We offer unlimited online tutoring with 24/7 service. Our affordable personalized 1 to 1 tutoring proves helpful for the students as they get undivided attention for understanding the concepts easily and quickly. We also assist our students through one-on-one homework help, which includes writing reports and essays. Since our establishment, we have set up our name in the teaching field by offering easy access to high-quality education to students from the comfort of their homes. Our highly qualified team assesses the student's capabilities and target specific problem areas in order to increase their learning and analyzing skills. We render instant academic support to students whenever and wherever they need it. Understanding the requirement of today's time, we work in flexible schedules for bringing tutoring services to the students as per their convenience.

What we offer

Tutor Pace, Inc. offers superior online tutoring services at the most competitive price. We have gained popularity among students and parents due to the ease and affordability we offer through our interactive services. We employ diverse and highly professional team of tutors. Our tutors hold expertise in understanding the requirements of the students and work according to their specific problem areas and learning skills. Our personalized teaching methods make student capable of mastering not only the basics, but also gain in-depth knowledge of subjects. We also conduct personalized

online assessments and quizzes to improve overall test performances and help students remain in the forefront in school and college academics. Our online tutoring session is conducted on an interactive whiteboard with audio and video capabilities. Students and tutors are able to communicate on a personalized one to one basis at their own pace. Our interactive whiteboard allows students and tutors share one screen. Students can write or ask queries to obtain immediate answers. Our state-of-the-art technology makes tutoring more efficient, cost effective, and easy accessible for students globally.

Home Work Help

Take the stress out of Homework:

Tutor Pace, Inc. provides an enhanced emphasis on homework where parents and students can turn to obtain immediate customized solutions available 24/7. Students can comfortably ask their questions to our online tutors when they need it at their own convenience. Just like in a classroom, students are able to visually observe the tutors provide step by step explanation on the overall assignment concepts and similar problems. Students can simultaneously clarify any of their doubts on the concepts. Our tutors are available just for the purpose of helping all students.
