- Weekly Medical Lectures
- Volunteer Opportunities
- Cultural Immersion
- 24/7 Staff Support

"CFHI's motto is "let the world change you." It did. I learned about healthcare policy in a very different part of the world. I met individuals who became role models. I learned about real medicine and what it means to be a doctor: understanding our patients' communities..doing everything we can.. I know I'll be a better doctor because of CFHI and my month in S.A."

- Kristy Wesighan, MS-4, HIV/AIDS in Durban, South Africa (2010)
