COURTYARD LONG BRANCH, NJ HOTEL COMPLETES EXTENSIVE HOTEL IMPROVEMENTS

The Courtyard Tinton Falls Eatontown Hotel finishes renovations, totaling nearly \$1 million.

Tinton Falls, NJ – The Courtyard Tinton Falls Eatontown Hotel in New Jersey has recently completed a number of exciting improvements to its lobby, dining area and infrastructure. The total cost of the renovation was \$750,000 and offers guests luxurious new amenities and services.

Some of the most dramatic changes occurred in the entrance area. This [Tinton Falls hotel](#) replaced its traditional front desk with stylish welcome pedestals, which allow for greater interactivity between guests and staff. The new setup allows guests to get to their rooms quicker or to try out the new dining concept: the Bistro. Eat. Drink. Connect®.

The new Bistro dining area offers a vibrant area and delicious, freshly prepared food. Opened for breakfast and dinner, the Bistro features an impressive menu that includes favorites like burgers to healthy salads and refreshing drinks. For coffee drinkers, the Bistro proudly serves Starbucks® coffee. Guests can relax in comfortable dining environment or take their morning brew outside and enjoy the new outdoor seating area.

Guests can also enjoy the new business library in the lobby area. This peaceful area features plenty of seating to get work done or catch up on the latest news. The Courtyard [Long Branch, NJ hotel](#) has also added the new GoBoard®, an exclusive feature amongst Tinton Falls hotels. The GoBoard, a giant touch-screen television, allows guests to browse the latest headlines, sports scores, local weather reports, and even get directions.

The hotel is also in the process of adding free Wi-Fi to the entire building.

The meeting room at this Long Branch, NJ hotel received some improvements as well. Groups can now enjoy new carpet, stylish wallpaper, comfortable chairs and linen-less tables. The new additions create a vibrant environment in which to thrive, work, and interact.

In the guest rooms, new PTAC air conditioning and heating units have been installed. New wall thermostats allow guests to find the perfect temperature while also being more eco-friendly.

Finally, the hotel has also improved its fitness center. Guests following workout regimens will appreciate the new upgrades to the fitness center. This [Tinton Falls hotel](#) has added new free weights, equipment and cardio machines, including an elliptical and treadmill.
