

## **Low Cost Basic Package of [Home Security Systems](#) from Elite Security Services Introduced in Canada.**

Elite Security Services has recently announced the launch of their basic package of [home security systems](#) in Canada. The company presently offers two domestic security packages throughout Canada. The economical basic package will provide comprehensive security to households for only \$35.99 per month.

The [home security systems](#) package installed by America's leading security company is now available for only \$35.99 per month in Canada. The basic package for domestic security from Elite Security Services has recently hit the market. The company has been providing two other excellent security packages in the Canadian market since their arrival in this country few months ago. This basic package has earlier received immense popularity in the United States due to its easily affordable price. It may be noted that Elite Security Services is one of the most rapidly expanding security companies in the United States and they are now in an expansion mode in Canada, too.

The basic [home security systems](#) from the company uses basic land line telephone to provide security to home owners by transmission of signals to the nearest monitoring station. The package includes highly advanced security gadgets like an advanced motion detector, sensors for doors and windows, a remote controller device, a sophisticated digital keypad, and more. The announcement of the introduction of the plan was made by the company owner Mr. Paul Shakuri. He said, "We are extremely happy to offer you the low cost security package. This affordable security package is priced to suit the budget of all homeowners. As always, we look forward to your support". Apart from providing advanced home security plans low cost, the company also specializes in top class installation of their packages. Their customers can also avail installation within 24 hours without spending any extra money whatsoever.

With the increase of crime rate in recent years, low cost [home security systems](#) have become a necessity these days. Elite Security Services started providing service in this industry with the vision of creating a crime free society by providing affordable security solutions to the life and property of the house owners. Their advanced technology, excellent customer service, and low price have made them a strong contender to rule the market in the years to come. Andy, a customer of Elite Security Services from Atlanta recently said, "I am totally satisfied with the security package installed by Elite Security. I never knew home security can be so affordable. Would certainly contact them for any of my security concerns in future".

About the Company: Elite Security Services is a well known American security company providing service to homeowners in Canada and the United States. They are also an active affiliate of Protect Your Home.
