

IMPERIUM™ was founded specifically to design and manufacture the highest quality balloon inflation equipment, at reasonable prices. We believe that no decorator, balloon sculptist or store employee should have to sacrifice quality or performance, for affordability. This is why IMPERIUM products are the most competitively priced, highest performing products in the industry today.

## High Pressure Helium Cylinders

Cramer Decker Industries is the Nations' largest supplier of high pressure gas equipment stocking a full line of gas cylinders strategically located in three warehouses for rapid delivery. CDI's cylinder line is comprised of a full line of aluminum and steel cylinders for all of your customers needs.

### Aluminum Cylinders - with Protective Carry Handles

Part Number	Pressure (PSI)	Capacity (Cu ft)	Length (Inches)	Diameter (Inches)	Weight (lbs)	9" Balloons	11" Balloons
C10H-580	1800	27	16.20	6.89	12.5	93	54
C15H-580	1800	41	22.77	6.89	16.5	141	82
C20H-580	1800	55	23	8.0	22.1	189	110
C35H-580	1800	95	37.18	8.0	33.5	327	190

### Aluminum Cylinders - with Protective Cap

Part Number	Pressure (PSI)	Capacity (Cu ft)	Length (Inches)	Diameter (Inches)	Weight (lbs)	9" Balloons	11" Balloons
AI150-580	2015PSI	150	47.80	8.0	48.0	517	300

### Small Steel Cylinders - No Caps

Part Number	Pressure (PSI)	Capacity (Cu ft)	Length (Inches)	Diameter (Inches)	Weight (lbs)	9" Balloons	11" Balloons
CYL20-580	2015PSI	20	14.4	5.24	11	68	40
CYL40-580	2015PSI	40	17.7	7	26.3	137	80
CYL55-580	2015PSI	55	22.6	7	33	189	110

### Medium Steel Cylinders - with Protective Caps

Part Number	Pressure (PSI)	Capacity (Cu ft)	Length (Inches)	Diameter (Inches)	Weight (lbs)	9" Balloons	11" Balloons
CYL80-580	2015PSI	80	31.9	7	44	275	160
CYL125-580	2265PSI	125	42.7	7	59.4	430	250

### Large Steel Cylinders - with Protective Caps

Part Number	Pressure (PSI)	Capacity (Cu ft)	Length (Inches)	Diameter (Inches)	Weight (lbs)	9" Balloons	11" Balloons
CYL250-580	2265PSI	250	51	9.06	117	862	500
CYL300-580	2400PSI	300	55	9.25	139	1034	600

## Balloon Inflators and Accessories

It's PARTY TIME! No matter what the occasion, Balloons Are Everywhere! IMPERIUM™ Balloon Inflators are the answer for small decorating jobs and the largest corporate events. Simplistic in design, superior in quality, and best of all economically priced. Imperium insures a customer years of defect free service.

- 100% Tested.
- Two-year warranty against manufacturer defects.
- All IMPERIUM Balloon Inflators are supplied with SuperSEAL™ o-ring connections.
- Crafted from solid brass bar stock with minimum moving parts for bulletproof reliability.
- Designed for CGA580 Helium service, 0-3000 PSI cylinder service pressures.
- Inlet filters keep contaminants out. One more step towards defect free service.
- IMPERIUM Balloon Inflators are assembled with tamper resistant sealing compounds assuring end user safety.
- IMPERIUM Balloon Inflators utilize durable low profile gauges with unique BumperGUARD™ protection.
- Customer specific design, private label & bar coding available.

## IMPERIUM TECHNICAL SPECIFICATIONS

Regulator Material	Free machining brass C3600
Maximum Inlet	3000PSI maximum pressure
Regulated LP Outlet	80PSI fixed outlet pressure
Regulator Outlet Size	1/4" Female NPT (plugged or tilt valve)
Gauge HP Outlet	Tank pressure (up to 3000PSI)
Gauge Outlet Size	1/8" Female NPT (plugged or gauge)
Inlet Connection	CGA580 (.965-14 RH) Helium Service
Inlet Nipple	O-ring seal, sintered filter

### PRODUCT FEATURES

### BRC3858 SERIES

## HANDTIGHT

### BR3855 SERIES

Product Number  
**BR3855xxx**

The PRIMELINE™ series are supplied with a low profile, easy to grip hand tight, with SuperSEAL™ o-ring technology for tool less connections. Great for decorators or rental fleets where users may not have the proper tools.

<b>BR3855</b>	Hand tight connection
<b>BR3855G</b>	Gauge option
<b>BR3855GSH</b>	Gauge, ribbon cutter, E-Z tie hook

### RETAIL READY CLAM SHELL PACKAGING

- Retail clam shell packaging offers a great display for your customers.
- All IMPERIUM balloon inflators are shipped with retail bar coding.

## DELUXE

### Product Number **BR38xxGSH**

Our most popular model - The PRIMELINE™ Deluxe incorporates all the features as the entire line with an added extra. All retail stores cannot be without the IMPERIUM compact, auto shutoff foil balloon attachment. Just slide the foil balloon over IMPERIUM's brass push valve, it shuts off when the balloon is at capacity. Save on costly balloon damage due to user error.

<b>BR3810GSH</b>	Latex & foil balloons, gauge, ribbon cutter, E-Z tie hook
<b>BR3808GSH</b>	Foil balloons only, gauge, ribbon cutter, E-Z tie hook

## WRENCHTIGHT

### BR3858 SERIES

Product Number  
**BR3858xxx**

Even though our SIGNATURE™ series are wrench tight, we took the extra steps and added SuperSEAL™ o-ring technology. Easy to use with little effort assures a positive leak free helium tank connection. Perfect for use in retail stores where removal can only be achieved with proper tools.

<b>BR3858</b>	Wrench tight connection
<b>BR3858G</b>	Gauge option
<b>BR3858GSH</b>	Gauge, ribbon cutter, E-Z tie hook

## TUFFCART

CYLINDER CARTS and STANDS

### Cylinder Carts

Part Number	Description
TCART1C2W	Single cylinder cart
TCART2C2W	Double cylinder cart
TCART1C4W	Single cylinder cart with retractable system
TCART1C2W-HD	Heavy duty single cylinder cart
TCART1C2W-HDSC	Heavy duty single cylinder cart with stair climber

### Cylinder Restraint Brackets and Stands

Part Number	Description
STANDMM01	Single cylinder stand (8" OD)
STANDM60T01-A	Heavy duty adjustable cylinder stand
WB1C	Single cylinder wall mount
WB2C	Double cylinder wall mount
