

Elite Security Services Announce 10% Discount for [Home Security Systems](#) Customers during Upgradation of ADT Move Certificate

The customers of Elite Security Services will now receive a 10 % discount on ADT move certificate while purchasing their [home security systems](#). The ADT move certificate is required by the house owners when they relocate to a new home. Elite Security Services is a security company well known for their quality service in Canada and the United States.

Elite Security Services, America's leading [home security systems](#) provider has recently announced a 10% discount for their customers on ADT move certificate. The users of security systems need this certificate to enjoy the same home protection when they move to a new place. Elite Security Services ventured into the industry last year and has made considerable progress in the United States and Canada within just a few months. The ADT authorized security service provider presently offers three excellent packages starting from a nominal monthly rental of \$35.99. The customer friendly relocation plan of the company was declared by the proprietor of the company Mr. Paul Shakuri.

Announcing the discount, the owner of one of the fastest growing [home security systems](#) companies in America said, "Many of us relocate frequently these days due to our job and other requirements. That is why ADT move certificate is extremely important for the security system users. This is just a small initiative from us to offer something extra to our customers". He also added that the company understands that home security is extremely essential when a household moves to a new neighborhood. This is exactly why Elite Security Services is trying its best to provide a security solution that suits the needs of these frequent travelers. This discount is applicable to all the packages offered by the company.

The three packages of [home security systems](#) from the company have made a serious impact on the market both in the United States and Canada. The packages are all studded with advanced features and the latest security gadgets in the market. All these packages are priced economically because the company wishes to provide security service to suit all budgets. Mr. Shakuri says, "Home protection is no longer a luxury. It has become a requirement for every common man with the increasing rate of crime. This is why we try to deliver home protection that is affordable for all". The announcement of the discount has been appreciated by the customers of the company.

About the Company: Elite Security System has emerged recently as a one of the leading home security dealers in the United States and Canada. They are also an active affiliate of Protect Your Home.
