

Elite Security Services Announces Discount on Homeowner's Insurance Along With [Home Security Systems](#) by in Canada

The customers of Elite Security Services in Canada can now avail 20% discount on homeowner's insurance when they sign up for their [home security systems](#). This facility is already enjoyed by the customers of the company in the United States. Elite Security Services offers top notch home protection service all over the United States, and they are now expanding rapidly in Canada, too.

The [home security systems](#) users in Canada can now enjoy 20% discount on their homeowner's insurance simply by installing the systems from Elite Security Services. They are now a top player in the domestic security market, in the United States. The company is well known for providing round the clock home security within an affordable price. They presently offer three highly user friendly packages, all equipped with the latest features and gadgets. Elite Security Services ventured into the Canadian market just a few months ago, and has been repeatedly taking measures to provide more benefits to the customers ever since they introduced their service here.

Introduction of the discount on homeowner's insurance with [home security systems](#) would surely have an impact on their progress in Canada, according to the senior security industry experts of the country. Talking about this discount, the company owner Mr. Paul Shakuri conveyed, "Our customers in America have been enjoying this homeowner's insurance discount since last few months. We are pleased to offer the same benefit to all our customers in Canada". Home insurance policies protect the residential properties against different types of loss or damage. It is a common practice for the security companies to offer these types of discounts with their packages. However, not many of them are known to offer a 20% discount.

The [home security systems](#) designed and put together by Elite Security Services are available for a nominal monthly rental of only \$35.99. In spite of an affordable price, the package provides all the benefits of a standard security system with excellent devices like advanced sensors, keychain remote, loud burglar alarm, digital keypad, etc. They have two more highly advanced packages with a slightly higher monthly rental. The credit for their meteoric rise in the security industry goes to the highly customer centric approach of the entire team led by Mr. Paul Shakuri himself. Mr. Shakuri is a security industry expert with a decade of experience in this field.

About the Company: Elite Security Services is a home security service provider with a large pool of satisfied customers in Canada and America. They are also an affiliate of Protect Your Home.
