Einstein Noah Restaurant Group Inc. has 18 locations in the Salt Lake City area. For the past 4 ½ years we have partnered with Inline Plumbing for all our commercial plumbing needs. Ben and the team at Inline provide prompt and efficient service at a fair price. They understand the sense of urgency that some plumbing issues can cause in a restaurant and have always met our service time requirements and communicate effectively.

We appreciate the services that the team at Inline have provided and look forward to a continued partnership in managing our commercial plumbing needs in the Salt Lake area. I would recommend Inline Plumbing to anyone looking for professional, courteous, on time services.

Respectfully,

Jeff Drake | Director: Facilities
