

High Performance Team Workshop

A Team Building event using Behavioral Benchmarks

We offer a unique team building event that provides incredible insight into your employees to increase team productivity and cohesion.

The High Performance Team Workshop uses the unique Shadowmatch® behavioral benchmarking system to ...

- *Identify the 'foundational' behaviors in the team*
- *Outline shared strengths & opportunities in the team*
- *Determine best management styles for the team*
- *Guidance on developing the team for maximum performance*
- *Behavioral comparison to other high performance teams*
- *Team understanding of individual habits and behaviors to enable more productive working relationships*

"Shadowmatch was fascinating and it brought the team together in terms of knowing so much more about the style and habits of our team"

2 to 4 hour event

Individual & team feedback

Effortless setup & preparation

All reports & feedback included

Onsite or virtual

"Over 90% of our employees said the event was highly valuable and would recommend the workshop to a colleague!"

WHAT WILL YOU LEARN?
