

## **Now the [Home Security Systems](#) Designed and Installed by Elite Security Services to Include ADT Yard Signs and Decals**

Elite Security Services has recently strengthened their [home security systems](#) by the addition of ADT Yard Signs and Decals. The company is presently considered to be one of the most rapidly expanding security service providers in Canada and America. The ADT authorized dealer is presently offering three excellent service packages in the two countries.

Elite Security Services has included more to their already impressive packages of [home security systems](#) recently. The packages designed by the company will now include ADT decals and yard signs. The company has made a name for themselves in the home security industry by providing some of the latest security devices to their customers within highly affordable price. Many American and Canadian households are now enjoying the excellent home protection provided by the three packages from them. Industry experts are considering Elite Security Services to be a force to reckon with because of their meteoric rise in the security industry within a few months. The customers of the company have expressed their satisfaction after knowing about this enhancement to their home protection packages.

Anybody acquainted with the [home security systems](#) industry in the United States is well aware of ADT and its status in the country. They have been the undisputed industry leader for decades and still continue to be the biggest name in the industry. A big contributing factor to the success of Elite Security Services is that they are an authorized dealer of ADT. The presence of ADT yard signs and decals in front of a house means that the same is being monitored round the clock by the highly efficient ADT monitoring stations. It has always been observed that the households protected by ADT systems are much less prone to burglary or any other form of organized crime. The customers of the company have expressed their happiness about this new component of the security system. Larry, a customer of the company from Ohio said, "This is just excellent. I am sure not many would want to fool around with ADT".

Elite Security Services was founded almost a year ago by well known home security guru Mr. Paul Shakuri. The hard work, dedication, and customer centric service offered by Mr. Shakuri and his extremely gifted team have made them one of the most preferred providers of [home security systems](#) in less than one year. The company is now expanding rapidly and plans to offer service even in the remotest regions of Canada and America shortly.

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer economical home security solutions in America and Canada. Elite Security Services is also an active affiliate of Protect Your Home.
