MazikGlobal Technologies and Interdyn Remington Consulting Team in the Virtual Launch of MazikCare: Experience the power of the EMR/EHR Solution for Microsoft Dynamics AX.

You're Invited! Register here for the MazikCare Launch Event at HIMSS 2012 to see the unveiling of this EMR/EHR Solution for Microsoft Dynamics AX 2012. Connect with Patients. Connect with Care. Connect with Staff. MazikCare powerfully simple for healthcare.

Healthcare organizations need more time and less red tape, more connectivity and less interference. MazikCare, an EMR/EHR solution built on the Microsoft Dynamics AX 2012 platform, connects all arms of a healthcare organization, so that inventory is instantly updated when a nurse dispenses a medication, billing and scheduling processes are all automated, and doctors are enabled to see a patient's current vital signs and entire medical history all at glance.

MazikCare meets all your patient management, collaborative care, billing, accounting, resource planning, and system integration needs with a global Enterprise Resource Planning solution customized for the demands of organizations within the healthcare industry.

MazikGlobal Technologies and InterDyn—Remington Consulting are proud to announce the launch of MazikCare at HIMMS 2012. Come to Booth #14057 or register here for the Virtual Launch Event on Tuesday, February 21, 2012 @ Noon CST to see firsthand how this EMR/EHR solution designed under CCHIT and HL7 guidelines will change the future of healthcare.
