SUPER 8 LAS VEGAS STRIP AREA HOTEL COMPLETES \$1.5 MILLION RENOVATION

One of the most convenient hotels near the Las Vegas Strip, the Super 8 Las Vegas Strip Area Hotel has finished a number of significant improvements to its property.

Las Vegas, NV – The Super 8 Las Vegas Strip Area Hotel has just finished a number of exciting improvements to its property. The extensive renovations completed in January and total an investment of \$1.5 million.

One of the best [hotels near the Las Vegas Strip](#), the Super 8 Las Vegas Strip Area has improved its overall guest experience. New touches and décor offers a more comfortable stay. “We are confident that our recent 1.5 million renovations will give us a competitive edge over similar hotels near the Las Vegas Strip,” said James Cotter, General Manager of Super 8 Las Vegas. “Feedback has been fantastic thus far; many guests have been astonished at the value that they receive for such reasonable rates!”

The renovations included a completely remodeled pool and hot tub area, improvements to the lobby area, and fresh carpets and improved lighting in the corridors. Outside of the hotel, desert landscaping captures the serene beauty of Las Vegas. The meeting rooms have also received new carpets, paint, table linens and blinds.

Inside the guest rooms, this Las Vegas hotel has received substantial improvements, designed with the guests’ comfort in mind. Each room features new carpet, paint scheme and curtains, in addition to flat screen 32” Samsung televisions. Guests will enjoy a more comfortable night’s sleep with all-new bed linens and covers. Finally, each of the 140 guest rooms with queen beds has been converted into king-sized Serta beds.

Not only does this Super 8 hotel offer a brand new guest experience, but it also features great [Las Vegas hotel deals](#). For more information, visit the Super 8 Las Vegas Strip Area Hotel website at www.super8vegas.com.
