

## **Accreditation by Better Business Bureau Makes Elite Security Services a Top Company in the Industry of [Home Security Systems](#) in Terms of Reliability**

Elite Security Services is now a Better Business Bureau accredited manufacturer of [home security systems](#). The company has recently earned the prestigious accreditation by virtue of delivery of quality service to its customers. BBB accreditation is provided to business organizations for following ethical business practice.

Elite Security Services is among the news once again in the industry of [home security systems](#). The company has recently earned the highly coveted accreditation from the Better Business Bureau. This accreditation has immense value for any business house as it is considered to be a symbol of trust. Elite Security Services is an American company that has been providing top class security service in the United States and Canada since last few months. They have quickly emerged as a reliable name in the industry, thanks to their latest technology, low price, and friendly service. The accreditation by BBB is certainly a significant milestone for the company.

Elite Security Services emerged in the market last year with three excellent [home security systems](#) packages. The packages are now available all over the United States and Canada starting from a nominal monthly rental of \$35.99 only. World class technology and excellent workmanship has certainly played a stellar role in the company receiving the accreditation from BBB. The corporation named Better Business Bureau has been operating since exactly hundred years now. They rate the companies in a scale of A to F on the basis of collected data on 16 factors that tell about the business practice adopted by the company.

Sharing his feelings about this achievement of his company, the owner Mr. Paul Shakuri recently said, “This is a reward for the hard work that the entire team has been putting together for months. I congratulate the entire team on bringing this glory to us”. It has been learned from reliable sources that the company has aggressive growth plans for the future. The company has the vision of providing [home security systems](#) even to the remotest corners of Canada and America. Talking about the service provided by the company, Norman from Arizona said, “Elite Security exceeded my expectation with their amazing service. The packages are brilliant and affordable. I would love to recommend them to my friends”.

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer economical home security solutions in America and Canada. Elite Security Services is also an active affiliate of Protect Your Home.
