## **MISSOURI APPROVES ANTHEM COLLEGE ONLINE HEALTHCARE PROGRAMS**

**Phoenix, Ariz., February 21, 2012**—The State of Missouri has approved online healthcare education programs offered by [Anthem College Online](#) for its residents.

“Online learning has become an important component for adult students,” says Darcy Richardson, Division President for Anthem College Online. “Many of the students who come to us for education and training lead very full lives, so the flexibility and convenience of online learning allows them to pursue their educational goals without disrupting their jobs and families. We are pleased to open our virtual doors to Missouri residents looking to further their careers with the help of higher education.”

Missouri residents can now enroll in one of several education programs that lead to a Certificate, Associate of Science, or Bachelor of Science:

- Accounting Technology – Associate of Science
- Business Management – Associate of Science and Bachelor of Science
- Criminal Justice – Associate of Science and Bachelor of Science
- Health Information Management – Associate of Science
- Healthcare Management – Associate of Science, Bachelor of Science and Bachelor of Science Degree Completion
- Medical Assisting – Associate of Science Degree Completion
- Medical Office Administration – Certificate
- Paralegal – Associate of Science

Some programs are adapted for Missouri students to meet the state’s general education requirements for awarding degrees.

Missouri previously approved the school’s [programs](#) outside the healthcare field.
