Marriott has opened a new Courtyard Hotel near the Calgary International Airport.

Bethesda, MD –Marriott International, Inc. introduces a new 171-room Courtyard by Marriott

news, business and sports headlines. Guests can navigate using the touch screen to find restaurants, local attractions and directions around the Calgary Airport and in the local area.

Guests can connect to free WiFi and there are ample electrical outlets throughout the lobby to power digital devices. The enlarged business library features several complimentary computer terminals along with free printer access and separate computer stations dedicated to printing airline boarding passes and checking flight status.

Dining has been completely redesigned at this Calgary hotel near the airport with The Bistro – Eat. Drink.
