IDEAL IMAGE
LASER HAIR REMOVAL

Ideal Image

We wrote the book on laser hair removal...

- Established in 2001, Ideal Image has delivered over 2 million laser hair removal treatments and counting. We are the only national company dedicated exclusively to laser hair removal...it's all we do!
- Each and every one of our Guests is treated as an individual. We really listen and understand your goals. Finally, we customize a hair removal package just for you.
- Nationally Ideal Image has over 76 locations and employs over 180 licensed medical professionals. This means you are investing in our experience, knowledge and history of results.
- Every Ideal Image Center has two different types of medical lasers which allow us to customize and safely treat any skin color, including those with darker skin tones.
- We offer complimentary consultations to give you the opportunity to experience Ideal Image, meet our staff and see the laser hair removal Center.
- Ideal Image provides our Guests with a Lifetime Membership for the areas purchased.
- Ideal Image offers payment plans to fit just about everyone's budget.
- Laser hair removal requires several treatments to be effective. However, you can enjoy being hair free right from your first treatment.
- Ideal Image is a member of The International Aesthetic and Laser Association, which is the largest nonprofit professional association of its kind today. IALA members currently deliver more than two million laser hair removal procedures annually.
