ABD Celebrates 30th Anniversary

Since 1982, ABD has continued to be front-runner in Staffing Software Solutions

ROSEMONT, Illinois – March 12, 2012 - Automated Business Designs, Inc., developer of Ultra-**Staff** software, is celebrating its 30th anniversary this year. Since 1982, ABD's focus has been software exclusively designed for the staffing and recruiting industry. Ultra-Staff provides a completely integrated front office, back office, and web suite solution. Its trademark user interface and feature set is what makes Ultra-Staff a truly exceptional suite of products for staffing. ABD is well known for its ability to keep current with the ever-changing pace of technology in the recruiting and staffing industry.

The team at Automated Business Designs, Inc. is well-diversified and offers a comprehensive collection of service offerings. ABD's development team members are innovators and offer exceptional knowledge of the staffing and recruiting industry. ABD utilizes a unique combination of staffing industry knowledge and the latest development tools available from Microsoft®. ABD's superior customer service is one of the main factors behind ABD's success as a company. The company's recognized reputation of success is due to its devotion to people, practices, and technology.

Automated Business Designs, Inc. has a deep appreciation for their steadfast customers. As a token of ABD's gratitude, the company will be launching multiple contests and special events throughout the year where staffing professionals will receive exclusive client offers and prizes.

"We are very excited to have reached this significant milestone," states Terri Roeslmeier, President of ABD. "We could not have achieved it without the support of our extraordinary clients and would like to extend our thanks for the privilege of serving them. We look forward to continuing to do so in the years to come. And, of course, I'd also like to give recognition to our dedicated staff for their contribution to our growth and success."
