Dear President Obama:

EveryMD hereby grants to you, by way of an "in-kind" campaign contribution, a non-exclusive, limited, non-assignable, patent license, without the right to sublicense, to EveryMD's U.S. Patent No. 7,644,122 entitled "Method, Apparatus and Business System for Online Communications with Online and Offline Recipients" for the limited purpose of allowing you to use your Facebook Page at www.facebook.com/barackobama during your term in office. A copy of the patent is enclosed.

The total value of this in-kind campaign contribution is \$1000.

Thank you for bringing integrity back to the White House, and good luck in your re-election campaign.

Very truly yours,
