

NEW Compact 5 HD

Would you like a portable device to optimize your reading experience in High Definition? Are you searching for a magnifier with more overview, which always stays in focus? Do you wish to customize your magnifier to meet and exceed your specific needs?

The revolutionarily Optelec Compact 5 HD electronic video magnifier offers all of these benefits and more!

Combining a design with pocket-sized dimensions and a 5-inch widescreen that tilts into the optimal angle, the Compact 5 HD offers increased reading comfort, High Definition image quality, multiple high contrast viewing modes, and a wide, continuous magnification range.

Optimized reading experience

Stable overview

Always in focus

Customizable usability

Create & Win!

Shoot an original and compelling video and have the chance to win a brand new Optelec Compact 5 HD. We are giving away not one, but two.

What you have to do

1. Use your phone or camera to record a short video (max of 2 minutes). Show how you or someone you know could benefit from using the Compact 5 HD.
2. Upload the video to YouTube. Include the Text "Optelec Compact 5 HD Video Contest" in the name of your video. Email the link with your name, country/zip code, and relevant contact details to videocontest@optelec.com.
3. Share your video with your friends, colleagues, families, and community to generate the most YouTube views by the cut-off date. It is really that simple!

Who will win

Two people will win an Optelec Compact 5 HD:

- 1) the submitter of the video with the most views on YouTube at 12:00 GMT on May 15, 2012,
- 2) the submitter of the most creative and outstanding video selected by the Optelec jury.

Key dates

- March 15th: Contest announced globally and video submission opens
- May 15th: Contest ends and viewing numbers are counted
- May 17th: Two contest winners are announced

Get some inspiration and watch our example video on our website.

We wish you good luck with creating your video!
