RESIDENCE INN MONTGOMERY UNVEILS INNOVATIVE RENOVATION

Total redesign of rooms and lobby allow extended stay guests to thrive on the road

Montgomery, AL -The [Residence Inn Montgomery, AL Hotel](#) has undergone a major renovation of its 94 guestrooms and lobby space, transforming the Montgomery extended stay hotel into unique spaces designed to enable guests to work and relax at their own pace. The multi-functional zones provide travelers with flexibility while the stylish décor offers a warm and friendly environment.

“When on the road for an extended period, our guests look for space to stretch out, to maintain their life’s pace and restore their energy,” said Katie Tyson, vice president of brand management for Residence Inn. “Our room and lobby designs offer a seamless blend of comfort and functionality that allows them to settle in and thrive.”

The spacious residential-style guestrooms and [suites in Montgomery, AL](#) feature a unique layout where guests can live, work, eat and sleep. Contemporary and stylish, the rooms highlight bold colors and modern furnishings. Offering some of the best amenities of all Montgomery extended stay hotels, the Residence Inn features accommodations with full kitchens, complete with granite countertops and stainless steel

appliances. Luxurious bathrooms, deluxe signature bedding, 37-inch television and high-speed internet are all elements that allow guests to feel comfortable and productive while traveling.
