EDUCATION OPEN HOUSE AT ANTHEM COLLEGE-ATLANTA MARCH 28

March 21, 2012—[Anthem College](#), located in downtown Atlanta at Lindbergh Center (2450 Piedmont Road, NE), will host an **Education Open House next Wednesday, March 28**. Open House hours will run from 9 am to 8 pm.

The Open House will feature the school's allied health programs in [Dental Assisting](#), Health Information Management, Medical Assisting, and [Surgical Technology](#). All programs offer the Associate in Science degree. The Health Information Management and Medical Assisting programs offer [Diploma](#) options as well.

"Anthem College is an excellent option for adult learners," says Admissions Director John Payton. "We offer flexible day and evening hours that fit the schedules of students who have jobs or family responsibilities. Our programs allow students to take one class at a time so they can focus on learning new material without any distractions from other, equally important classes. This way, they really absorb what they need to know before moving on to the next class."

"Our location at Lindbergh Station is particularly important for students who rely on public transportation," Payton adds.

The unique scheduling brings out the best in many students. Last June, the College inducted 15 students into the Alpha Beta Kappa Honor Society, which requires students to have completed at least six classes and have a GPA of 3.6 or higher.

In April, Surgical Technology student Lauren Santiago was named one of ten recipients of the Imagine American LDRSHIP Award, which recognizes active duty, reservist, or honorably discharged military personnel who have distinguished themselves in the military and in a career college. Nominees must have GPAs of 3.5 or higher and 95% or better attendance records to be considered for the award. Before enrolling at Anthem College, Santiago was a Navy Airman and Aviation Ordnanceman with the designation of Air Warfare (AOANAW).
