## House Call re-Admission Reduction Program

The HARP program will help you with your discharge from hospital to home. You will receive care from Pathways Home Health, affiliated with El Camino Hospital since 1986, and Dr. David Jones, a physician who has been making house calls to seniors for the last 8 years. Dr. Jones and the Pathways care team will visit you at home and coordinate your care. We will work with you to keep you healthy at home and help you get back to your regular doctor.

For questions or concerns 24 hours a day call:  
Pathways (888)755-7855. Dr. Jones' office: 650-384-0986
