

## palisades pack™

ULTIMATE BACKCOUNTRY DOG PACK

### INTENDED USE:

Multi-day adventures made possible with expansive capacity, forward-positioned, weight-conscious saddlebags. Refined design makes the Palisades Pack even lighter while maintaining its innovative features and long-term durability.

### KEY FEATURES:

- Load stability and weight distribution provided by the slip-free, five-point adjustment straps of the Web Master™ Harness chassis
- Removable saddlebags for initial harness fitting, at rest stops and for water crossings
- Hydration made simple with two collapsible bottles, each with a 1L capacity
- Compression system helps secure the pack load and allow for a more comfortable, compact carry
- Thoughtful design elements: easy-access stash pockets, coated zippers, high-visibility reflective trim, external gear loops, and aluminum V-ring leash attachment
- Helping dogs up and over obstacles is easy with the balanced assistance handle
