

web master™ harness

SUPPORTIVE, MULTI-USE HARNESS

INTENDED USE:

Hiking, scrambling, rehabilitation, and mobility assistance. A supportive, multi-use harness built for maneuvering and assisting dogs up and over obstacles. Refined designs makes the Web Master Harness even lighter while maintaining its innovative features and long-term durability.

KEY FEATURES:

- Efficient, easy-to-clip sheltered buckles keeps straps firmly in place over time
- Anatomical design provides controlled, comfortable and balanced lifting with good load dispersion
- Customizable fit with five points of adjustment allow for full range of motion
- Secure design for even the best "Houdini" dog
- Foam-padded chest and belly straps for comfortable, extended wear
- Two points of connection: aluminum V-ring leash attachment up front or the webbing loop at the rear
- 3M™ Scotchlite™ reflective trim assists visibility in low light

PERFORMANCE FIT:

Contoured, athletic cut
