

Sustainability Expo

*Experience a simpler, more sustainable life.
Learn ways to save money and reduce your
impact on the Earth.*

Be sure to visit the Local Food Court and satisfy your appetite for REAL food with dishes featuring entirely local and organic ingredients prepared many of the area's finest restaurants!

Sustainable, healthy cooking demonstrations featuring local celebrity chefs.

This family-friendly expo will feature local businesses, government agencies, nonprofit organization, colleges and cutting-edge products that are all working for a more sustainable Wisconsin.

If you're looking for healthy, delicious, and convenient options to incorporate into your daily lives you won't want to miss the indoor food section.

Find local, sustainable, and gluten free breakfast options at the Shine Café.

*A taste of
country
right here in
the city.*
