

Economy Media Cart

Introducing Datum's newest media cart, the Economy Media Cart (EMC). This cart is designed to store, transport and charge your valuable AV equipment while not draining the budget. This cart allows your school to purchase less AV equipment and share between several classes.

- Cart features key lock to secure both the front and rear projector door.
- Flip up side shelf provides additional work surface.
- Laminate top provides smooth writing surface as well as furniture appearance.
- Adjustable shelf inside allows for reconfiguration as equipment changes.
- Ships fully assembled.
- Available in Tech Blue (T42) paint and Black (L26) laminate.
