

Free Next Day Installation Offer Launched by Eminent [Home Security Systems](#) Company to Further Strengthen their Position in America & Canada.

Elite Security Services looks to create a serious impact on the market with their just introduced offer for free next day installation of [home security systems](#). This offer allows customers to have their systems installed within 24 hours of purchase for no additional expense. The company presently serves customers throughout Canada and the United States.

The [home security systems](#) customers buying their package from Elite Security Services can now avail an amazing opportunity to start enjoying round the clock security immediately after purchasing their security package. The company's recently introduced free next day installation scheme has received tremendous response from the industry, both in Canada and America. They have an installation charge of \$99 for all their home protection packages, and customers can now request for next day installation paying the same installation charge. Elite Security Services is now a well known name in the security industry by virtue of their highly efficient security systems and customer centric approach.

The importance of perfect installation of [home security systems](#) can not be denied. Elite Security Services boasts of some of the most skillful installation personnel in the entire country. Special care is taken to preserve the aesthetics of the house during the process of installation. The company owner, Mr. Paul Shakuri, said during the launch of the offer, "Many of our customers want to start using their security packages right away. This offer has been specifically designed for them. Our focus has always been to provide something extra to our customers". He has also added that this offer is valid for all the packages from the company.

Elite Security Services has an efficient network of installation specialists all over Canada and the United States. Their [home security systems](#) are designed with the utmost care to provide maximum benefits to customers without spending a fortune behind it. All three packages from them include some of the latest security equipment in the market. Jim from Montreal highly recommended Elite Security Services for their service saying, "They can't go wrong. I was amazed at the quality of service they provided within my tight budget. Thank you very much!"

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer highly efficient and economical home security solutions in America and Canada.
