Beginning in the lobby area, the [hotel in San Ramon](#) has updated the entranceway in line with the new Courtyard Lobby concept. These improvements offer guests a friendlier environment in which to socialize, work and relax. Also found in the lobby area is the new dining concept: The Bistro—Eat. Drink. Connect®. This new restaurant serves guests delicious hot meals, ranging from traditional favorites like sandwiches and pizza to healthy choices like salads and fresh vegetables. Open for breakfast and dinner, this casual dining area also proudly serves freshly brewed Starbucks® Coffee.

New art and decorations add to the creative tone to encourage collaboration and out-of-the-box thinking.
