

# FREE YOUR BUSINESS FROM RISING ENERGY COSTS!

*A few minutes could save you 10% to 30%*

## WHAT WE CAN DO FOR YOUR BUSINESS

- ✓ We typically save our clients 10% to 30% off of current annual rates
- ✓ At no cost to you, we analyze your bills to secure the best possible rate
- ✓ We have pre-screened the premier suppliers in your market to protect you from costly mistakes
- ✓ We offer price protection and budget certainty

## A FIXED ALL-IN PLAN OFFERS:

- ✓ Price Protection
- ✓ Price Stability
- ✓ True Budget Certainty

We offer 12, 24, or 36-month agreements so that you can benefit from today's pricing in order to protect yourself from future increases in the volatile energy market.

## HOW TO GET STARTED

### REVIEW

- We collect your three most recent energy bills.

### ANALYZE

- At NO COST TO YOU, our Corporate Office will perform a cost analysis and offer personalized recommendations.

### CHOOSE

- We present the options to you. You, the customer, make the final decision.
- There is NO COST to switch.
- You are assured of the same energy, same delivery company, same poles, and same wires.

***No Switching Fees, No interruption of Service, Just lower costs!***
