

Talk all you want.  
Text all you want.  
Use Data all you want.  
Use Picture Mail  
all you want.

Lightyear Wireless is the **ONLY** Wireless Company that will allow you to talk all you want, text all you want, surf the web all you want, send and receive picture mail all you want and make \$5\* in **FREE** International calls using the HTC EVO™ 4G on a Nationwide 3G Network for ONLY \$59.99\* per month (\$10 add on for 4G data\*) and if you refer a few friends, your service is **FREE!**\*

With the HTC EVO™ 4G, you've got the power to do more than you ever thought possible with a phone.

**Wi-Fi® wherever you go.** With instant Internet access, the EVO 4G opens up all kinds of possibilities. Now, the world is your coffee shop.

**True HD vision.** The true HD camcorder captures the moment. And with the HDMI cable connected to your flatscreen, you can relive the moment, down to the last detail.

**Power-packed entertainment.** With eye-popping resolution on the giant 4.3-inch screen, your favorite flicks, live sports and primetime shows come to the rescue whenever there's time to kill.

**Around the world in 0.17 seconds.** With the first 4G phone on the nation's first 4G network, you can upload, download and scour the web up to 10x faster than ever before.

**Tech Features:**

- Display – 4.3 inch
- Camera – 8 megapixel with Auto Focus and 2x LED Flash, 1.3 megapixel fixed focus front facing camera
- Value-add Features – HDMI out, 4G Wi-Fi router, Friend Stream, HTC Sync, HTC Sense, Amazon MP3
