

# *The latest in marketing Tools*

Available in 1" or 2" squares.  
(Discounts available for orders of more than 1,000)

## *Get the advantage with QR Codes*

With our proprietary technology, you can now emboss your QR codes onto milk, dark, or white chocolate! Great for generating interest in new products and services! Your customers can scan the code and directly get the information you offer... and afterwards eat the chocolate as a "sweet treat"!

### *Promote your ...*

- Website ▪ Facebook page ▪ Twitter feed ▪
- Linked In ▪ YouTube ▪ Newsletter ▪
- Online catalogs ▪ Special events ▪
- Trade shows & exhibitions ▪ New products ▪
- Prize drawings ▪ Discount coupons ▪

### *How does it work?*

Customers use a Smartphone and a QR reader app to read a tag code, which can directly lead to a company's website, Facebook page, Twitter feed, or even a newsletter sign-up page and MUCH MORE

## *...step into the future!*
