

NEWS RELEASE

FOR IMMEDIATE RELEASE

March 26th, 2012

**Your chance to hear Gartner's predictions of the highly anticipated
Supply Chain Top 25 report**

Anticipation is growing ahead of the May release of this year's Gartner Supply Chain Top 25. This [live one-hour global webinar](#) presented by Gartner's Debra Hofman, vice president, and Stan Aronow, research director, supply chain research, will take place on March 29th at 10:00 EDT. They will reveal who they believe will be rising, falling or entering this year's Top 25 ranking, as well as highlighting lessons learned and best practices from supply chain leaders.

"We are anticipating this year's results more than ever," says Debra Hofman, "We expect some very exciting movements, with emerging players consistently demonstrating leadership towards demand-driven excellence. I look forward to sharing our predictions with everyone".

The *Gartner Supply Chain Top 25 Early Predictions* webinar will be the first in a three-part series sponsored by [GXS](#) and [Teleplan](#), and produced by [RaptureWorld](#). Register now for all three webinars using the information below:
