ADVANTAGES OF BEING IN BUSINESS FOR YOURSELF

Intimate Details isn't a cookie cutter home party business. We let you create the work/life balance that you want. This is your chance to get in on the ground floor of a home party business opportunity that combines income with something that really is fun.

- Earn extra money or make it into a whole new career
- Build your own team of consultants
- Become a trainer and mentor
- Be a part of growing company and feel good about the job you're doing

An Intimate Details home party is...

more than the products we sell – it's about having a night of laughter and excitement, all while teaching people how they can enhance their love lives, with and without sex toys.

Intimate Details consultants understand that everyone has their own reasons for wanting to know more. By bringing a hand-selected assortment of spa products and adult toys directly to them, you can help them explore a whole new world in a discreet and comfortable environment. It's all about the Intimate Details.

The Intimate Advantage

There are a lot of adult toy party companies out there, but nothing quite like what we're building here. We're growing fast - and I want you to be able to grow with us. I want you to have the same experience I had when I started the company - freedom and empowerment. Take the first step to owning your own business and gain the benefits of:

- ♥ No monthly sales quotas
- ♥ Recruiting bonuses
- ♥ Buying discount of up to 50%
- ♥ Free local referrals
- ♥ Direct training from the president of the company
- ♥ Internet advertising targeted to your territory

AN INTIMATE HISTORY & MISSION

If you're reading this, then there's a good chance you want what I wanted when I started Intimate Details almost two years ago. I had the simple goal of running my own business so that I could spend more time at home with my kids. With each party I did, I was having more and more fun. More importantly, I realized I was also helping other women to learn about their own sexuality by educating them about intimate products in a discreet setting. With every purchase, they were becoming more empowered.

So I thought, if I was having such a great time doing all of these things while making money, wouldn't other women want to as well? That's how I got to where I am today, offering you the chance to earn an income, educate and empower women - all while having fun doing something you love to do!

Our mission is to offer quality adult products and education through in-home parties that provide a fun and relaxing atmosphere for women.
