

Well Known [Home Security Systems](#) Company Announces the Launch of their Official Twitter Page.

American [home security systems](#) company Elite Security Services has just launched their official Twitter Page for communicating effectively with people who want to know more about domestic security. The company recently came to limelight by providing affordable domestic security systems throughout Canada and the United States.

The [home security systems](#) enthusiasts can now keep themselves updated with the latest developments in the industry, thanks to the just launched official Twitter Page of Elite Security Services. The company is now a familiar name in the American and Canadian security industry by virtue of their efficient, yet low cost domestic protection plans. Through this new Twitter Page, the company owner, Mr. Paul Shakuri would be providing valuable safety tips to the followers of the page. Mr. Shakuri is an experienced security consultant with years of experience in designing state of the art domestic protection systems.

The demand for [home security systems](#) has increased dramatically over the last few years, and many house owners want to know about these systems. This is exactly where these house owners may find the Twitter Page extremely useful. It must be noted here that Elite Security Services also maintains a highly interactive blog and a YouTube video channel. According to Elite Security Services' owner Mr. Shakuri, "After the blog and the YouTube Channel, we are extremely happy to launch this Twitter Page. All these are part of our initiative to create a community that promotes a crime free society".

Elite Security Services presently has three [home security systems](#) plans named Basic, Premium, and Elite packages. The basic package offers all the features of an efficient protection system for a lucrative rental of \$35.99 per month. The other two plans are equipped with some of the latest technological features in the industry. The company has been able to make a strong impression on the market within their brief tenure of less than a year. Likewise, the just launched blog of Elite Security Services has already managed to gain attention of the followers in no time.

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer highly efficient and economical home security solutions in America and Canada.
